OUR HOMES

With a range of floor plans, facades, home sizes and price points, you can choose a home that best suits your needs, style and lifestyle.

What does it cost?

The cost of homes depends on several factors such as size, location within village and whether it is a new or pre-loved home.

We offer shared equity on new homes which helps to lower the purchase price by allowing you to pay from 75% to 99.99% in return for an identical percentage ownership of the home.

Current weekly site fees start at \$183.45. Your site fee includes access to all village facilities and services. Centrelink offers rent assistance which acts as an effective subsidy on the amount payable.

WHAT OUR RESIDENTS SAY

"The variety of activities together with the friendships formed, has meant that your somewhat mundane life prior has had a complete turnaround" – Pam & Barry Frazer

"I can easily jump in my motorhome when I feel like going away and feel safe knowing that my neighbours and staff will look out for my home while I'm gone. Plus, I don't have to rush back to take care of the house and garden maintenance – because it just doesn't exist!" – Paul Kerr
