OUR HOMES

With a range of floor plans, facades, home sizes and price points, you can choose a home that best suits your needs, style and lifestyle.

What does it cost?

The cost of homes depends on several factors such as size, location within village and whether it is a new or pre-loved home.

We offer shared equity on new homes which helps to lower the purchase price by allowing you to pay from 75% to 99.99% in return for an identical percentage ownership of the home.

Your site fee includes access to all village facilities and services. Centrelink offers rent assistance which acts as an effective subsidy on the amount payable.
